## LABOR FEDERATION REELECTS GOMPERS FOR ANOTHER TERM

### El Paso, Texas, Chosen for Place of Next Annual Meeting—No Change Made in Of- ficial Roster—Gompers Makes Stirring Address to Delegates in Closing Session

(By the Associated Press)  
PORTLAND, Ore., Oct. 12.—Samuel Gompers, re-elected unanimously as president of the American Federation of Labor, just before adjournment of the forty-third annual convention here today, declared in his closing address that the gathering had given notice that a cleavage had been made between those loyal to organized labor and those who boring from within had sought to stab the labor movement in the back.

"The results of this convention," he said, "will make for solidarity in the ranks of labor."

The convention came to an exciting close in a sharp contest for the next convention in which El Paso, Texas, won over Detroit, Michigan, 14,588 to 12,883.

Officers of the federation were retained.

President Gompers, in reviewing the convention's work, referred to the expulsion of William F. Dunne, delegate from Butte, Mont.

## GIANTS AND YANKS MANAGERS GIVE VIEWS OF GAME

### McGraw Pleased— Huggins Says Yanks Should Have Won

(By the Associated Press)  
NEW YORK, Oct. 12.—"It was one of the best pitched games ever played in any world's series," Manager John McGraw of the Giants said tonight. "It was great pitching right from the start and along about the fourth I figured that one run would be enough to win."

"Stengel, of course, is the big hero of the third game, as he was the man who gave us the victory, with his big smash into the right field bleachers off Jones in the seventh inning. All the players are proud of Casey and well they might be, for he already has won two series games for us with home run wallops."

"But don't overlook Nehf's masterly pitching, at that play that Heinie Groh made in the seventh inning tagging Ward out at third base. Nehf again showed that he was a great pitcher by turning back the Yankees without a run."

Giants Optimistic.

"We are sure that we're going to win the series, more so now after Nehf's great pitching. I'll probably start Jack Scott tomorrow."

Huggins had little to say after the game.

"Sam Jones pitched a wonderful game today," said the little manager. "It was hard to see such a well pitched game go to waste. But my players couldn't get a run for him and I was forced to take him out of the game in the eighth inning for a pinch hitter."

"We are fighting hard in this series and we are going to win it yet. My players disappointed me a bit by not hitting Nehf harder, but they'll hit Scott tomorrow if he starts against us. I'm going to pitch Shawkey. Bob is fit and ready and the Giants will look at some more good pitching tomorrow."

Mr. and Mrs. G. S. Owens and daughters of Palmyra, were visitors in the city Friday.

## Had Lived Honorably Under Assumed Name

(By the Associated Press)  
IRVINGTON, N. J., Oct. 12.—Edward R. Folson, mayor of Irvington, died on September 26, honored and respected the leading man of his community. The death certificate stated he had died from an overdose of a sedative.

Today the prosecutor began an investigation into rumors which indicated that the wealthy merchant and official who led in work of civic betterment and Church affairs was in reality a man Valjean in the flesh.

Folson had come to those who mourned Folson's death that in his youth he served a term in Auburn prison on a forgery charge, and was pardoned after three years by the late Theodore Roosevelt then governor.

He came to Irvington, established a business which prospered and lived a quiet retiring life. Then, according to the reports received by Prosecutor Bigelow, some one who knew of his old life discovered Folson's new prosperity. He was blackmailed. The fortune which he had gathered in the years spent in hard work was doled out in ever-increasing amounts to those who threatened to reveal his past. At the time of his death it was discovered the mayor had almost nothing left.

"It's all true," said Louis Folson, his son. "I can't tell the amount dad gave up to the blackmailers. Mother is sure she knows who they are and will ask Prosecutor Bigelow to investigate it all."

## OKLAHOMA HEAD LETS OUT TWO HIGH OFFICERS

### Executive Counsellor and Bank Examiner Removed

(By the Associated Press)  
OKLAHOMA CITY, Okla., Oct. 12.—Aldridge Blake, the executive counsellor and Dr. E. T. Bynum, state bank commissioner, were removed from office tonight by Governor J. C. Walton.

"Dr. Bynum's administration has been entirely unsatisfactory," the executive declared in a communication to the bank commissioner. "No explanation was given of Blake's removal."

It was understood however that the executive counsellor had broken with Governor Walton over the latter's recent policies, particularly with regard to his military activities against the Ku Klux Klan.

### Look Into Charges

Blake told The Associated Press that he would go tonight before a special investigating committee appointed by the lower house of the state legislature to inquire into impeachment charges against the governor. He declined to make known his purpose and likewise would make no statement as to his removal.

He declared he would "have something to say tomorrow."

Dr. Bynum is before the legislative investigating committee now, members of his family told The Associated Press when an effort was made to locate him for a statement.

### Legislature Ready

The state legislature has its plans virtually complete for a thorough investigation not only of impeachment charges against Governor J. C. Walton, but of the Ku Klux Klan in Oklahoma as well, recessed late today until Monday afternoon.

While the lower house closed its sessions today, two anti-klan bills lay on the clerk's desk, the first measures introduced in the extra-ordinary session which convened yesterday. They were submitted by Representatives W. R. Thornsbrough of Coal county and John Garner of Johnson county, and each was directed mainly at the wearing of masks.

An investigating committee of 23 members was named today to conduct the inquiry into the records of state officers and the committee to consider the activities of the klan will probably be named Monday.

The committee to investigate the klan will have at its command all records of the military courts thruout the state submitted to the legislature by Governor J. C. Walton and will be empowered to summon before it for hearings any state or county official in Oklahoma accused of having connection with or being under the influence of the organization.

The house also voted to investigate its own members who may have been accused of trafficking in pardons and paroles or of having unlawful interests in state contracts.

### Arrest Made On CONSPIRACY CHARGE

(By the Associated Press)  
CINCINNATI, O., Oct. 12.—Ernest C. Morse of this city, former director of sales of the war department was arrested today on an indictment returned at Elkins, W. Va., charging him with conspiracy to defraud the United States in connection with the attempted sale of surplus war materials.

The indictment charges Morse conspired with the officers of the United States Harness company and others to defraud the United States by entering into manipulations seeking to making possible the sale of surplus war materials, principally harness and horse equipment to the companies at prices far below the real value.

Morse entered a plea of not guilty and gave bond for his appearance in the federal court at Elkins.

### CHICAGO BANKS SAFE

CHICAGO, Oct. 12.—Chicago banks that have loaned money to Governor Warren McCray of Indiana, hold good collateral and are taking no part in the investigation of the Indiana executive's financial affairs, local bankers said today.

## PRESENT WORLD SERIES BALL GAMES DRAW RECORD CROWDS

(By the Associated Press)  
NEW YORK, Oct. 12.—Another twenty-four hours of excellent world's series weather was forecast tonight by the local weather bureau. No assurance of such conditions over Sunday however, was advanced.

The official prediction was: "Fair and warmer tonight and Saturday. Unsettled and probably cooler Saturday night and Sunday."

### Total Receipts.

The total receipts for the first three games of the world's series reached \$541,432 with today's record crowd of 62,430 at Yankee Stadium.

Total figures for three games: Attendance—153,139. Receipts—\$541,432. Advisory council's share—\$87,222.30. Players pool \$270,155.82. Each club's share \$92,051.95.

### Balls Pitched.

Two hundred and forty-one pitched balls were delivered by the rival moundsmen in the third game of the Giants-Yankees world's series at the Yankee Stadium today, eight less than in Wednesday's game and two less than in Thursday's game.

Of the 241 the Giant's pitcher delivered 123, while the Yankee pitchers hurled 118.

Analysis shows 94 of the 241 were called balls by Umpire Bob Hall. 56 were called strikes. 33 resulted in infield outs; 14 in outfield outs, and 10 were hit safely. The individual records of the three pitchers who worked during the engagement follows:

Nehf's Work.

Art Nehf of the Giants served up 123 pitched balls in nine innings. Fifty of that number were called balls; 25 were called strikes; 8 foul strikes; 19 infield outs; 4 outfield outs and six were hit freely.

Sam Jones of the Yankees, tossed 110 pitched balls in the eight innings he occupied the mound. Forty-one were called balls; 22 were strikes; 15 foul strikes; 7 fouts; 12 infield outs; 9 outfield outs, and four safe hits.

Joe Bush of the Yankees delivered only eight pitched balls in the inning he faced the Giants. Three were called balls, two were foulstrikes; 2 resulted in infield outs and one in an outfield out.

### Hart's Decisions.

Umpire Bob Hart of the National League who officiated today at first base made one of the most unusual decisions an umpire ever made called upon to make. He decided not by what he saw but by what he heard.

In the Yankee half of the 8th inning, Witt got a hot single. Hart took a position on the base line between first and second too close to the base line. On the next play Dugan grounded to

### Stengel Heavy Hero.

Casey Stengel is a light-hearted heavy-weight fighter making the winning home run in the first game he almost laughed himself to death in the Giant dugout.

When he made his winning home run today he didn't have to beat the ball home because it went into the stands. So he took his time and passing second, he looked up at the press stand and thumbed his pugy nose.

He skipped most of the way out to his fielding position.

Bennett Hero Worshiper.

Eddie Bennett the Yankee mascot is a hero worshiper of the first order. He grasps the hands of the home run hitters when they step across the plate and even reaches up to pat on the back the less heavy hitting runners who score on others' hits. His favorite student is to accompany Babe Ruth to the plate.

Ruth bats behind Dugan, and when the latter steps into the batter's box, Ruth moves up from the bench to be ready to go in. If the Babe stands up, Eddie leans on; if he squats on a bat, Eddie does also.

## MANUFACTURERS LAY OFF SMALL FORCES WITH FALL SEASON

Labor Condition Reported to be Slightly Subnormal

(By the Associated Press)  
CHICAGO, Oct. 12.—The manufacturers of Illinois began the fall season of laying off one percent of their working forces, according to a statement issued tonight by the general advisory board of the Illinois department of labor. On the other hand, the statistics reported an increase of 87 per cent in employment over a month ago, the board added and 1,296 concerns of various industries which submitted reports for both September, 1922 and September 1923 showed that their expansion had given employment to 38,000 more people than were at work for these identical concerns one year ago.

"Six out of the eight large groups of industries," said the report show a smaller number of operatives in September than in August. The scale of operations appears to have fallen in nine of the 14 principal cities, and employment declines were characteristic of some industries in every factory group."

Citing studies of unemployment by Horrell Hart which indicated that industries regularly expanded in September the report continued "our conclusion then is that a drop in the number of workers in Illinois during September shows an adverse change in the industrial situation. This, of course, indicates nothing as to how long this will continue."

### MINNESOTA VISITED BY TIMELY SHOWERS

St. Paul, Minn., Oct. 12.—Timely showers which visited northern Minnesota during the last 24 hours relieved the forest and brush fire situation, so that G. M. Conzet, assistant state forester at Duluth tonight ordered the rounding up of emergency fire fighters with the idea of beginning mustering them out tomorrow unless there is a serious change for the worse.

### ADVOCATES COMBAT OF FASCISM HERE

MOSCOW, Oct. 12.—Organization to combat Fascist tendencies in the United States was advocated by W. H. Green, American delegate speaking today at the peasants conference here in the name of the Farmer-Labor party of the United States. He said the situation in America was extremely difficult and he quoted the chairman of the "Steel Trust" as expressing approval of Fascism on his recent trip from abroad and as advocating a similar organization in the United States. "The workers and farmers of the entire world," declared the speaker, "must unite to combat these tendencies."

## FUSEL OIL IN LIQUOR CAUSES MANY DEATHS

### Grand Jury Called to Probe Liquor Sale at Pana

(By the Associated Press)  
PANA, Ill., Oct. 12.—John Tokoly, proprietor of a soft drink parlor, his two sons, Paul and Stephen, and Robert A. Smith, a chemist, tonight were ordered held without bond on charges of murder for the grand jury by a coroner's jury which investigated the deaths of five men, presumably from poisonous whiskey, here Wednesday and yesterday. The jury returned a verdict that the men died as a result of drinking fusel oil in beverages sold to them by John Tokoly.

Tokoly, with his son Stephen, is under arrest at a local hospital where they are suffering from the effects of the poisoning. While Paul has not been apprehended and Smith left the city this afternoon, telling his wife he was going to Pekin, Ill. Authorities have sent telegrams to police officials in Pekin and surrounding towns requesting them to take Smith into custody.

The coroner's jury returned its verdict this evening after hearing the testimony of twenty five witnesses, including prominent business men of Pana.

### Who Made Drink

John Tokoly who was one of the witnesses, disclosed when questioned by State Attorney Dowell, that Smith concocted the alcohol used in the whiskey. He collapsed on the witness stand and was taken to the hospital where physicians said little hope was held for his recovery.

A number of relatives of the dead men appeared before the jury. Mrs. Kenneth Baldwin, wife of one of the dead men, said her husband told her in a dying statement that he bought the whiskey in Tokoly's place of business.

It also was brought out in the testimony that there was no evidence that any of the poisonous liquor which is believed to have caused the deaths was purchased from Arthur Maton, another soft drink parlor proprietor, who previously had been mentioned as having sold some of the liquor.

Judge John Prehls, of the Pana city court, who is in Chicago on business sent a telegram to Sheriff Andrew Fleisher here tonight ordering him to summon the October grand jury to reassemble next Monday to investigate the deaths.

Three more men were taken to the hospital today suffering from the effects of the poisonous liquor bringing to six the number of persons who are in a critical condition as a result of drinking the beverage. Doctors hold out little hope for their recovery.

## HENRY FORD GIVES VIOLINIST AUTO

(By the Associated Press)  
BIG RAPIDS, Mich., Oct. 12.—Henry Ford came back to Mecosta county today to make good a promise made during his recent vacation trip with Thomas Edison and Harvey Firestone.

He brought a "Jep" Biabe, old time violinist, a new automobile. With the help of Mr. Ford's chauffeur, the two spent a busy day making a platform with which to get the machine into the Biabe barn at Paris, near here. The manufacturer also arranged with a Big Rapids garage man to teach "Jep" how to drive the machine.

Biabe's old fashioned dance tunes made a strong appeal to Ford and Edison during the vacation trip and Mr. Edison has promised to send him east to record some of his selections on phonograph records.

## PRESIDENT TO TAKE UP REORGANIZATION

WASHINGTON, Oct. 12.—President Coolidge expects to take up with the cabinet at an early date the plan for re-organization of the government departments worked out by a joint congressional committee headed by Walter F. Brown, at the direction of President Harding.

The president foresees no necessity for making any changes in the plan as transmitted to congress by President Harding at the last session although he has made no final decision.

## RELIEVES GRANTED BY GOVERNOR SMALL

Springfield, Ill., Oct. 12.—Governor Small tonight granted reprieves to until January 11, 1924, to Bernard Grant and a wife Krauser, sentenced to hang at Chicago, Oct. 19, for murder. The reprieves were granted in order that the cases may be taken into the state supreme court for review in December. The reprieve is the second given to Grant.

## WEEKS DECLARES FORD ASSERTIONS RATHER RECKLESS

### Says May Not Have Full Possession of Facts Regarding Situation—Government Could Not Have Realized More Than Million in Salvage—Will Not Continue Controversy

(By the Associated Press)  
WASHINGTON, Oct. 12.—Secretary Weeks in replying today to an attack on him by Henry Ford, concerning the sale of the Gorgas Steam Plant of the Muscle Shoals project, said the Detroit manufacturer's statement was "filled with reckless assertions."

Mr. Weeks' statement said it was possible that Mr. Ford, relying as he does upon other persons in the conduct of so many enterprises, was not himself possessed "of the full facts" as to the sale of the Gorgas plant.

"I do not propose," he said, "to continue a newspaper discussion of this subject, but if necessary shall place all facts before a proper tribunal."

The secretary of war issued his statement late in the day after conferences at the white house. It was brought out by Mr. Ford's assertions in Detroit last night in which Mr. Weeks' actions and motives were placed under fire.

Although Mr. Weeks would not comment upon Mr. Ford's statement beyond his own formal reply, there was every indication that he felt strongly on the charges that political influences working thru him had prevented the Detroit manufacturer from obtaining Muscle Shoals. During the day he twice discussed the situation with President Coolidge. The last time after he had prepared his answer which he carried with him to the white house.

Secretary's Statement.

The text of Secretary Weeks' statement follows:

"Ford this morning delivered a personal attack upon me in connection with the conduct of the government in the relation to Muscle Shoals. His statement is filled with reckless assertions."

"It may be that Mr. Ford, relying as he does upon other persons in the conduct of so many enterprises, possibly is not himself possessed of the full facts of the situation. For the benefit of those who do not fully understand the problems involved, I shall briefly review the subject."

"Muscle Shoals was a development for nitrate purposes in the war which included the construction of a large dam on the Tennessee river and the construction of air fixing nitrate plants, with large quarries and an adjacent to these plants, in order to supply power pending the completion of the waterpower plant a steam plant was erected 90 miles away on the Warrior River, known as the Gorgas plant."

The total expenditure on these properties was about 102,000,000 of which less than \$5,000,000 was spent upon this isolated and temporary steam plant. The steam plant was erected on the property of the Alabama Power company, which reserved title to the land on agreed conditions with the Wilson administration for which this administration is not responsible and which gave to them the right to purchase the Gorgas steam plant."

"The proposal made by Mr. Ford for the purchase of this entire equipment involved the payment by him of \$5,000,000 for the entire plant, including the above steam plant. As the responsible official in this matter I referred Mr. Ford's offer to congress which has so far not acted upon it."

"In the meantime the Alabama Power company under their rights in the old contract notified the government that the land must be vacated on or before October 15, this year. They offered to pay \$3,500,000 for the comparatively small item of the whole equipment."

Mr. and Mrs. John Gillham were Winchester visitors in the city on Friday.

## GOLD STANDARD TAX BASIS NOW ON IN GERMANY

### Coal Situation in Berlin Growing More Serious

(By the Associated Press)  
BERLIN, Oct. 12.—The cabinet has decided not to wait sanction by the reichstag of the special measures authorizing dictatorial powers for the government in economic matters and hence a decree was issued today, signed by Premier Ebert, Chancellor Stresemann and Finance Minister Luth, providing that henceforth all taxes shall be paid according to the gold standard in stead of in paper marks.

Other decrees looking to the rehabilitation of the country's finances will be issued regardless of whether or not the authorization law is passed by the reichstag tomorrow.

Minor Disturbances.

There have been minor disturbances in Berlin, Weisbaden, Cologne and Solingen, due to the high prices of food.

The coal stocks in Berlin are so low that the burgo-master today informed the municipality that unless the government came to the rescue the gas supply would be endangered.

At a meeting of the Saxony diet today Premier Zeigner violently attacked Dr. Von Kahr, the Bavarian military dictator, the German national party and the big industrialists accusing them of preparing for the suppression of the working classes. The premier declared the Saxony government would stand by the workers and fight to the utmost to preserve the unity of the reich.

Many Stores Pillaged.

DUSSELDORF, Oct. 12.—The disorders which began last evening at Solingen, in British occupied territory, continued today. The casualty list now totalling eleven dead including the commissary of police, and thirty-five wounded. Many stores have been pillaged. The British troops have not yet interfered. Other unemployed men are marching from Grafrath to help their comrades.

The pillaging also continued today at Cologne and the police tried when the crowd stormed them.

## Dry Leaders Gather To Force Their Issue

(By the Associated Press)  
WASHINGTON, Oct. 12.—Spurred to action by what they describe as apathy toward law enforcement, dry leaders gathered here tonight for a three day conference to bring the question to an issue.

Enforcement advocates from all parts of the country, including some of the leaders in the movement which made a part of the constitution will take part in the deliberations. They hope to outline plans which will provide practical and in securing effectiveness of the dry laws and to rally church and civic bodies to their support.

Explaining the purpose of the gathering which has been designated as a citizenship conference, Fred B. Smith of New York, chairman of the executive committee said today that it had been inspired by former President Harding. According to Mr. Smith, Mr. Harding told him that the trouble with prohibition enforcement resulted largely from the indifference of religious and civic orders which demanded the 18th amendment and failed to give it active support after it became effective.

A long list of speakers has been announced for the conference, including, William J. Bryan, Governor Pinchot of Pennsylvania, Senator Borah of Idaho, former Governor Milliken of Maine and many others prominent in church and civic life.

Judging from tourist receipts  
this season, climate and scenery  
are the two leading American in-  
dustries.

A truck driver was killed in  
Chicago Thursday because he  
tried to beat a train to a cross-  
ing. This is but one of hundreds  
of such instances and while the  
death loss at grade crossings is  
appalling it is a fact that a large  
percentage of these fatalities  
could be avoided if drivers used  
proper caution.

The consolidation of the Bur-  
lington and the C. & A. freight  
offices may not produce immedi-  
ate benefits and it is a matter of  
regret that several operators will  
necessarily be transferred to other  
posts or take up new lines of  
activity.

However, the consolidation step  
may pave the way for a union  
passenger station with its attend-  
ant conveniences to the public.  
At any rate it is gratifying to  
know that the roads have agreed  
to a paving program for their  
properties.

The railroad brotherhoods, it  
is said, are preparing to ask for  
a 10 per cent increase in wages,  
which would take their pay up to  
the high mark of war times.

is the increase granted the an-  
thraxite miners which has result-  
ed as a matter of psychology in  
the brotherhoods proposal for an  
increase.  
It is suggested that there will  
be higher wages with consequent  
increase in general cost of living  
or a strike. If this comes to pass  
Gov. Pinchot's settlement of the  
anthracite trouble by wage in-  
crease and other concessions to  
the miners may not stand out as  
an especially effective piece of  
work.

A hearing is soon to be held for  
a boulevard lighting system for  
East State street. A great many  
property owners on the street  
have expressed themselves as in  
favor of the project but prefer  
to have the improvement done  
under the public improvement  
act, so that the cost may be  
spread over a period of years.  
East State street for a num-  
ber of years past has been a con-  
stantly improving thoroughfare  
and a boulevard lighting system there  
will mean still further progress  
and be very likely to serve as an  
example for the property owners  
on other streets. There is some-  
thing contagious about public  
and private improvement enter-  
prises. It is a good kind of con-  
tagion.

President Coolidge, it appears,

from rather important person-  
ages. He is said to have turned

ous small-minded people who hap-

A member of the American Bar

recommendations as a means to  
lessen crime in the United States:  
Constant co-operation between

Prohibition of the manufacture

and police officers.  
Adoption of a measure making  
it an offense to advocate the over-  
throw by force or violence of the  
government of the United States.  
Adoption of a measure provid-  
ing for the periodic registration  
of aliens.  
Wider use of arbitration courts  
for the settlement of civil con-  
troversies of a purely commercial  
nature, with a view to remedy-  
ing the congested condition of  
courts.  
Elimination of the grand jury  
indictment in criminal cases.  
Two or three of these recom-  
mendations have already been  
broached by various organiza-  
tions and individuals. All of  
them deserve serious considera-  
tion and widespread publicity. It  
is no secret that there are flaws  
in the administration of justice  
in this country and that the  
amount of crime needs lessening,  
in spite of the fact that the fun-  
damental laws of the land are  
just. In addition to specific  
measures such as those suggest-  
ed, there must also be sounder  
education in our public schools,  
and this education must reach  
all of our citizens.

**LITERBERRY CIRCLE  
MET NEAR VIRGINIA**

Chlo Circle of Christian Church  
Entertained at Home of Mrs.  
Litter—Will Give Supper

The Chlo Circle of Literberry  
Christian church was entertained  
yesterday afternoon at the home  
of Mrs. Byrl Litter near Virginia.  
There were about 30 present, 16  
of whom were members of the so-  
ciety. Devotions were led by Mrs.  
Oral Johnson.

Plans were made for the an-  
nual supper given by the circle,  
which is to be staged on Nov. 14.  
The menu will consist of chicken,  
dressing, gravy, potatoes, salads,  
ice cream and cake. The adver-  
tising committee for the supper  
consists of Mrs. Eva Long, Mrs.  
Helen Davidson and Miss Evalyn  
Hull.

Plans were also completed for  
the open meeting of the circle,  
which will be held during the  
last week in October at the home  
of Mrs. Oral Johnson. Guests  
present at the meeting yesterday  
included Miss Kate Louden of  
California, Mrs. Mary Litter and  
Mrs. Betty Virgin of Virginia,  
Mrs. Ethel Wilhite, Mrs. Lela Den-  
jels, Mrs. Ada Myers, Mrs. G. T.  
Litter, and a number of others.  
William Collins of Literberry  
was called to Peoria yesterday on  
account of the serious illness of  
his son, Ora Collins, who is in a  
hospital. He is suffering from  
lead poisoning and typhoid  
fever.

**RETURNS FROM CHICAGO.**  
L. F. O'Donnell has returned  
from Chicago, where on Wednes-  
day he attended a noon luncheon  
of Jewett auto salesmen at the  
Hotel Metropole. The meeting  
was called by the president of  
the company, Harry M. Jewett,  
who addressed the men and ac-  
quainted them with plans for ex-  
pansion. The company is moving  
into a new factory in Detroit with  
a capacity of 500 cars a day.  
Cass county has been added to  
Mr. O'Donnell's territory, which  
has included Morgan and Scott  
counties, and he has been given  
authority to appoint sub agents  
in towns throughout his territory.

**SHEETS ARGUES FOR  
HARD ROADS BOND ISSUE**

Superintendent of State Highway  
Made Strong Appeal for Sup-  
port of Road Extension Plan—  
Addressed Meeting of County  
Officials in Decatur

Speaking at the state of as-  
sociation of supervisors and other  
county officials in Decatur, Frank  
T. Sheets, superintendent of the  
Illinois highway division, made a  
strong plea for the proposed  
\$100,000,000 bond issue to ex-  
tend the hard road system of  
Illinois. He declared that the ap-  
proval of this bond issue will pro-  
vide a sound insurance policy to  
make Illinois the leading state in  
the union.

Mr. Sheets is quoted in the  
Decatur Review as further declar-  
ing that the bond issue project  
is not a political issue but a peo-  
ple's issue.  
"I do not know who will be  
the governor when these roads  
will be built," he said, "I may  
not be here myself, but whoever  
is governor I want to see this  
thing go thru."

The paragraphs quoted are tak-  
en from the Decatur Review.  
Mr. Sheets poured a tirade into  
those people who, he said, were  
maliciously attacking the road  
program as a "Small proposition"  
and a political issue, stating that  
the plan drawn up for the road  
system in Illinois was not a plan  
in which politics had played a  
part, but a scientifically worked-  
out program, made by engineers  
who knew what they were doing.  
"Even I will admit that there  
are a few miles of road in that  
plan that should not be there,  
but there would be mistakes in  
any plan that had to be passed  
upon by a body of 300 or more  
men," he said.

"I would like to see you take  
a map of Illinois and lay out  
5,000 miles of main trunk road  
on it. I'll venture to say that  
before you get thru you would  
wish you had 7,000 miles to play  
with."

**Progress Made**

Mr. Sheets told of the progress  
in Illinois road building in the  
last few years, showing that 2,294  
miles had been completed. "There  
have been 903 miles of road com-  
pleted in 1923 up to last night,"  
he said. "We will do 50 miles  
this week if the weather is good.  
We will do more than 1,100 miles  
of road this year."

"The work has been made pos-  
sible thru two things, first the  
passage of legislation to enable  
us to centralize our efforts and  
do something, and second, thru  
the passage of legislation provid-  
ing us with funds with which to  
do our work."

"In the past it had been the  
custom to let contracts late in  
the spring and thus lose valuable  
time in getting started. We have  
ours placed in the fall now and  
as a consequence have 95 per  
cent of all necessary material  
ready for use when the season  
opens. In Illinois there are only  
120 days in a year in which roads  
can be built and every minute  
counts."

The roads that have been built  
in Illinois so far have cost on an  
average of \$27,000 a mile. "That  
statement has been disputed," said  
Mr. Sheets. "The records are an  
open book and we are not afraid  
to let any one inspect them."  
He stated that that cost did  
not include the added expense of  
grading and bridging necessitated  
in some parts of the state where  
extra work was necessary, but  
that even in those sections, the  
cost was less than \$30,000 a mile  
to build.

**Not Experimenting**  
Mr. Sheets branded criticism to  
the effect that the state should  
"go slow" on road construction  
until the movement was proved  
past the experimental stage, as  
comparable to criticism that  
would have made us a tent and  
cave dwelling people had the ad-  
vice of skeptics been followed in  
the old days.

"The Illinois road building pro-  
gram is not in an experimental  
stage," he asserted. It has been  
carefully worked out, tested, pro-  
ven, and today the states in the  
union and the nations of the  
world are coming to Illinois to  
learn how to build roads.  
"If the new bond issue is not  
passed, we will hit the ball until  
we go broke," he said. He then  
showed that working with the  
present \$60,000,000 bond issue  
funds and the auto tax, 396 miles  
of road will be built to 1925, 495  
miles in 1926, 207 miles in 1927,  
241 miles in 1928 and 800 in  
1929.

"The question comes, 'can we  
wait until then to see about  
more roads' or 'will there be  
enough roads then'. I answer an  
emphatic negative to both ques-  
tions," he concluded.

## PIMPLY? WELL, DON'T BE

People Notice It. Drive Them Off with Dr. Edwards' Olive Tablets

A pimply face will not embarrass you much longer if you get a package of Dr. Edwards' Olive Tablets. The skin should begin to clear after you have taken the tablets a few nights. Cleanse the blood, bowels and liver with Dr. Edwards' Olive Tablets, the successful substitute for calomel; there's no sickness or pain after taking them. Dr. Edwards' Olive Tablets do that which calomel does, and just as effectively, but their action is gentle and safe instead of severe and irritating. No one who takes Olive Tablets is ever cured with a "dark brown taste," a bad breath, a dull, listless, "no good" feeling, constipation, torpid liver, bad disposition or pimply face. Olive Tablets are a purely vegetable compound mixed with olive oil; you will know them by their olive color. Dr. Edwards spent years among patients afflicted with liver and bowel complaints and Olive Tablets are the immensely effective result. Take one or two nightly for a week. See how much better you feel and look. 15c and 30c.

## NEW LAMP BURNS 94% AIR

Beats Electric or Gas  
A new oil lamp that gives an amazingly brilliant, soft, white light, even better than gas or electricity, has been tested by the U. S. Government and 35 leading universities and found to be superior to 10 ordinary oil lamps. It burns without odor, smoke or noise—no pumping up, is simple, clean, safe. Burns 94 per cent air and six per cent common kerosene (coal oil).  
The inventor, J. L. Johnson, 609 W. Lake St., Chicago, Ill., is offering to lend a lamp on 10 day's FREE trial, or even to give one FREE to the first user in each locality who will help him introduce it. Write him today for full particulars. Also ask him to explain how you can get the agency, and without experience or money make \$250 to \$500 per month.—Adv.

FOUR MEN KILLED IN TRAIN HOLDUP

(By the Associated Press)  
YREKA, Calif., Oct. 12.—Bandits who yesterday killed four trainmen in the holdup of Southern Pacific Train No. 13, in a tunnel seventeen miles south of Ashland, Ore., still were at liberty tonight having succeeded for more than thirty hours in dodging California and Oregon posses in the wooded fastnesses of the Siskiyou.

At Whitmore, a miner living on the Klamath River north of here reported to the sheriff's office that three men broke into his cabin last night in search of food.

Bloodhounds tonight failed to pick up the scent of the desperadoes. Other hounds are to be given trials later.

Contrary to first belief, the bandits did not flee empty handed, it was said today by W. G. Chandler, special agent of the Southern Pacific company for this division. He said they undoubtedly obtained some loot from the mail car before it was consumed by fire caused by the dynamite they set off.

POLICE HAVE CLEW IN MURDER CASE

NEW YORK, Oct. 12.—Police tonight broadcast descriptions of a man, believed to be the son of a Montreal minister who occupied a furnished room in West 57th Street, adjoining that of Miss Estelle Phillips, attractive department store executive whose mutilated and almost nude body was found today on the floor near her bed. While the search for the suspect was being made police assembled from bits of evidence in the room and on the body a connected story of the murder. They believe the assault was committed by a man who entered the room while Miss Phillips was asleep and strangled her before she could call for help.

BRUSH FIRE CAUSE OF DEATH OF TWO

Santa Paula, Cal., Oct. 12.—A brush fire raging in the hills just north of Santa Paula has resulted in the deaths of two men according to reports reaching here late today.

Frank C. Foster, 67, rancher, who was fighting the fire, was overcome by smoke and heat and died shortly after 10 o'clock this morning. The second victim, as yet unidentified, but who is believed to be a ranger, was trapped by the flames in a small canyon near Pagan Canyon.

NOT CERTAIN YET ON HIS CANDIDACY

(By the Associated Press.)  
DETROIT, Mich., Oct. 12.—Henry Ford does not wish to make a definite answer at present as to whether or not he will be a candidate for president, O. G. ## Social Events

Peck brought with her some handwork and other interesting things from Egypt.

After the program there was a social hour, at which time Mrs. Parker served refreshments.

It was decided to have the next meeting with Mrs. Griswold on Mound avenue.

Entertained Shanks Store Force.

Mr. and Mrs. Shanks entertained the force of the Shanks store at a very delightful weiner roast last evening. Mr. Shanks

arranged for all the guests to be taken in cars to Nichols Park, where Mrs. Shanks had prepared a very excellent and bountiful picnic lunch. The lunch was even more improved when well roasted weiners were added to the many good things.

### Hiked to Nichols Park

The Sophomore class of Jacksonville High school hiked out to Nichols park last evening, where they enjoyed a weiner and marshmallow roast.

The party left the High school at 6:30 p.m. and were joined by Miss Hildreth Ashwood, the class adviser.

### President Rammelkamp Entertains Faculty

The members of the Illinois College faculty were entertained at the annual reception given at the home of Pres. and Mrs. C. H. Rammelkamp last evening.

The board of trustees were also present at the reception, as were a few intimate friends of the hosts. Daughters of faculty members assisted Mrs. Rammelkamp in serving during the evening. The house was most artistically decorated in fall flowers and everything was very beautifully arranged for the occasion.

### Sorosis Club in Meeting Yesterday

The members of the Sorosis Club met yesterday afternoon at the home of Mrs. C. E. Cole on West College Avenue.

A very interesting program has been arranged for the afternoon which included a most instructive lecture given by Henry Caldwell of the English department of Illinois College.

After the program there was a social hour at which time the hostess was assisted in serving refreshments by Mrs. Louise Inglis and Miss Mary Wadsworth.

### I. W. C. Society in Banquet Last Night

The Theta Sigma Society of Illinois Woman's College held their annual banquet last evening at 8:00 o'clock at the Peacock Inn.

The decorations were made very effective, carried out by the use of the society colors, scarlet, black and gold, and the tables were decorated with ferns, which are the flowers of the society.

After the banquet a very delightful program was given, including the following:

A reading—Miss Margaret Kessler.

Vocal Solo—Miss Hazel Moore.

Violin Solo—Miss Christine Cotner; accompanist, Miss Geneva Coleman.

Misses Nellie Boyd, Beatrice Teague and Olive Austin of the faculty were guests at the banquet.

### Ebenezer Ladies' Aid Society Meets

The Ladies' Aid society of Ebenezer church held a meeting Friday afternoon at the home of Mrs. F. E. Bracewell on Webster avenue. The members were present in large numbers and there were also several guests in attendance.

The meeting opened with the reading of the Scripture lesson by the president. Then came a business session when the following officers were named:

President—Mrs. Arch Bridgman.

Vice president—Mrs. A. W. Waltman.

Secretary—Mrs. Edward Patterson.

Treasurer—Mrs. Walker Henderson.

A social hour came after the program, at which time dainty refreshments were served by the

### Social Event at Baptist Mission

A family party was given Friday night at the Baptist mission on Ashland avenue. Fully 75 people were present and the event was a thoroughly enjoyable kind. The lawn was lighted and both the children and adults engaged in playing a number of games and in some athletic contests.

Later they adjourned to the chapel building, where there was mass singing and some indoor games and refreshments were served. It was in every way a very enjoyable event. The mission services are being held regularly and with good attendance.

## WHITE HALL A. H. T. A. IN SESSION RECENTLY

Jacksonville Delegation Attended Recent Meeting in White Hall—Other News from Greene County

White Hall, Oct. 12.—A social affair and junk supper was held in the M. W. A. Hall Thursday evening by the Anti-Horse Thief Association, an active and numerous local body. A delegation of six from Jacksonville arrived during the proceedings, and there followed a number of impromptu speeches and music. George Spangenberg and H. O. Potts were named delegates to the state convention at Taylorville next Wednesday and Thursday, where some important matters of legislation are to be formulated for the attention of the Illinois general assembly. The White Hall local has 75 members. The association is a very effective medium in the protection of all kinds of personal property from thieves, including horses, automobiles and chickens. George Spangenberg is the local president and Norville Hicks secretary.

There seems to be prospect of White Hall being designated for an added station for obtaining rainfall data. The purpose of such a station would be to determine the amount of run-off water at a given point in arriving at the value of watersheds as a producer of water supplies. The location of such a station would be at either the present city reservoir or at the proposed site for the new reservoir. Investigation and research along this line have been carried forward at other points in the state, and it is found advisable to make further investigation at some point in this section of the state in order to arrive at a more correct solution of the problem.

An exhibition trap shoot was conducted by Lowenstein & Sons on the Watts farm, two miles west of White Hall Thursday afternoon that attracted considerable interest among local sportsmen. The star attraction was Ben Meents, who holds the world's record at the Grand American Shootoff with 171 straight, and also holds a record for 310 straight and undefeated at doubles. He also demonstrated that the Winchester pump gun can be fired faster and more accurately than the automatic. About 1,500 rounds were fired, and the occasion was one of great delight to the assembly of shooters.

The results of the library benefit last Wednesday evening, the first home-talent performance of the season, indicate a huge success from the standpoint of meritorious carrying out of the novel program, but not so from the financial results. It was held in Princess theatre, and the receipts were \$142.60, of which amount the sum of \$68.75 will go to the library treasury. It was entitled "Souza's Kitchen Cabinet Band" and was a humorous production from start to finish. There were 22 members of the band under the direction of Mrs. K. W. Vanderpool. The affair was the conception of Mrs. Mame Winters, whose energy and executive ability were put to the very best use. Mrs. Winters also acted as tutor. Special numbers included duets by Mary Gardiner and Nellie Rhodes, Mrs. Hal Nevius and Mrs. C. C. Brown, and there were solo numbers by Miss Marion Winn, Mrs. Arthur Shenkel, Mrs. Ed C. Pearce, Miss Helen Teter and Mrs. Brown. A trio by Mrs. Brown, Miss Mildred Brown and Miss Mildred Fox received high compliments, and the part taken by five little girls included Ruth Hamilton, Geraldine Ballard, Dorothy Gahaly, Marion Barton and Sallie Cora, while Louise Bering gave dances in her well known artistic manner. Mrs. Clifton Seely presided at the piano. Kitchen utensils and kazooes made up the band instrumentation, and the costumes were elaborate, to say the least.

The nearing completion of the new library structure is putting unusual interest in library affairs. It is expected to get into the new quarters some time in November.

## WAR TIME PREMIER MAKES LONG JUMP

(By the Associated Press.)  
ON BOARD Lloyd George's Special train, Chislehurst, Oct. 12.—On a 1,400 mile jump from Niagara Falls to Winnipeg, Lloyd George, the war time premier of Great Britain in his tour of Canada went today thru a region but little removed from the primitive wilderness. Passing on his special train to the north of Lake Superior he made a few stops at isolated points where the log house is still used and where big game is plentiful. At Hudson company points, Indians were conspicuous, drawn up in silent lines besides the train. The former premier enjoyed the experience to the full with its fascinating scenery of woods and quiet lakes.

"It is like passing thru an endless picture gallery by a first class artist," he said. "Why there should be stunts in Europe when there is so much wealth here, I don't know."

Leaving Niagara Falls last night, Lloyd George changed at Toronto to the special train of the Canadian National Railways which had served him since he had left New York to the Canadian Pacific Railway for the run to Winnipeg where he is due tomorrow afternoon.

## PROBABLE PITCHERS FOR TODAY

NEW YORK, Oct. 12.—(By The A. P.)—Jack Scott and Bob Shawkey are expected to take the mound in alternate half innings tomorrow when the Giants and Yankees meet in the fourth game of the world's series at the Polo Grounds. Scott featured the 1922 world's series by shutting out the Yankees in the third game. Shawkey is the veteran of the Yankee pitching staff and is only member of that staff not imported from the old Boston Red Sox.

In event that McGraw finds Scott unready, "Rosie" Ryan appears the likely substitute. Waite Hoyt, who was batted out of the box in the first game, will be ready to serve them up should Shawkey fall Manager Huggins' expectations.

## HUNGER STRIKE BROKEN AFTER MUCH SUFFERING

Miss Mabel Boll Describes Feeling of Person Who is Slowly Starving

## PEPGEN PRAISED

Miss Mabel Boll is a bookkeeper in the office of the Enterprise Cleaning Co., at Springfield, Ill. She resides at 1212 E. Oak street.

For months Miss Boll was on a hunger strike. It was not a voluntary strike. She simply couldn't eat anything but liquid foods because her stomach was so badly disordered that it wouldn't retain substantial nourishment.

As a consequence she grew weaker and weaker every day. She experienced all the horrifying sensations of a person who is slowly starving to death. And then, just about the time she was so discouraged she didn't know what to do she learned about Pepgen, the great system tonic.

Miss Boll investigated. She found several of her friends who had taken Pepgen. Every one of them recommended it. With this evidence in mind Miss Boll decided to try Pepgen.

And now after giving the medicine a thorough trial she relates the following relative to her personal experience. Miss Boll said yesterday:

"All my life I have been troubled with my stomach. My case was almost chronic and had been diagnosed as catarrh of the stomach. After eating I had a terrible burning sensation from my throat to the pit of my stomach. Just everything I ate caused misery. For months before I took Pepgen I lived exclusively on a liquid diet. It is only natural that my entire system suffered from under nourishment. I grew very weak.

"I tried many kinds of medicines and treatments but nothing helped me. I had about given up of ever being a well woman. I read about Pepgen in the Springfield newspapers. At first I didn't have much faith in it. I

thought it was like a lot of other so-called remedies I had tried. However as statements from many Springfield people appeared and continued to appear I decided to investigate. I made diligent inquiries. I found several persons who had tried Pepgen. All of them recommended the medicine highly.

"Several said they had given testimonials which had been published in the newspapers and that every word they had said was gospel truth. I concluded to try Pepgen myself.

"And then came the glad surprise. I found Pepgen to be an exceptionally good tonic. It relieved me from the very first dose. It is the only medicine that ever gave me the slightest bit of help.

"Of course I continued to take Pepgen. I have now used three bottles and I am going to take three or maybe six more. Today I am one hundred per cent better.

"Yesterday I ate roast beef, mashed potatoes and pie without the slightest touch of indigestion. My natural strength and energy returned almost over night and I do not have to whip my body into action by sheer will power.

"I give this endorsement to Pepgen so that others may have confidence in it. Believe me, please, when I say that I have a ravishing appetite and am eating whatever I crave. And also remember that this advice comes from a woman who has suffered all of her life with catarrh of the stomach."

The genuine Pepgen is obtainable in Jacksonville, Ill., only at Coover Drug Co. It can also be secured at one drug store in each nearby town. Look for the Pepgen sign.—(adv.)

## Stengel Again Wins For McGraw's Men

NEW YORK, Oct. 12.—(By The A. P.)—Cast permanently, it would seem, in heroic mold, Casey Stengel—"Casey The Immortal"—smashed the New York Giants to victory with a home run drive this afternoon for the second time in three days of record breaking world's series strife with the Yankees. Lashed into the rightfield bleachers in the seventh inning, Stengel's blow broke up a tense hurling duel between Art Nehf, southpaw star of the Giants, and "Sad Sam" Jones of the Yankees, and gave the world's champions their solitary, but sufficient margin in a brilliant 1 to 0 triumph.

The greatest throng that ever paid its way into a baseball arena—65,000 frenzied fans, were massed in the gigantic enclosure while 30,000 more swirled about the entrances outside.

For a day Stengel had stepped out of the limelight while Babe Ruth rose to the pinnacle of fame with two circuit clouts that swept the Yankees to victory in the second game of the title struggle. But today "Old Casey", how-legged but lion-hearted, knew again the call to glory and the veteran made a record that has no equal in world's series annals—the feat of winning two games with home runs in a single championship. Its nearest approach is the mark of "Home Run" Baker who won two games for the old Athletics with circuit blows, but in separate series, 1911 and 1913.

It was a heart-breaking setback for Jones, melancholy moundsman of the Yankees who pitched even more brilliantly than did his southpaw rival, Nehf, in triumph. And too, it was doubly disastrous for the Yankee machine, for with defeat they lost, at least temporarily, the services of their star first baseman, Wally Pipp, who wrenched again his weakened right ankle in sliding to second in the seventh inning and was forced to leave the game. Just how serious is Pipp's injury could not be determined tonight but general belief prevailed that it might cost the Yankees his services for the remainder of the series.

Pipp declared he would be ready to go back into the lineup tomorrow, but Miller Huggins, Mite Manager of the club, shook his head pessimistically.

"I can't tell until tomorrow whether Pipp will be able to go back into the game," declared Huggins. "In event he is unable to go in, I will switch Ruth to first where he finished today's game and probably use Harvey Hendricks or Elmer Smith in right. Or I may send in Hinky Haines, who took the Babe's regular post for the last few innings this afternoon."

For eight innings, Jones, hero of a no-hit performance this season baffled the Giants save Stengel with a marvelous change of pace and superb control yielding only four scattered hits while Nehf was being found for six. Except for Stengel only one Giant got as far as second base, but that mighty wallop of Casey's wrecked Jones' masterpiece, just when it seemed close to completion.

Coming back in the eighth inning after that crushing blow Jones displayed his mettle by striking out Bancroft and Groh in succession, but he was withdrawn in favor of a pinch hitter in the Yankee half of that inning when Huggins directed his last desperate but futile attack. Joe Bush, victim of Stengel's homer in the first game, held the Giants hitless in the ninth.

Facing the first real crisis of the series, John McGraw played his ace, Nehf, and the nervy little southpaw came thru with flying colors. His work was only slightly less effective than that of Jones. In only one inning, the fifth did the Yankees gather more than one hit off Nehf. He issued three passes, two of them purposely to Babe Ruth and each time the strategy, unpopular though it was to the crowd that wanted to see the Babe "bust 'em" was vindicated.

Today, the element encountered between "brute force" and the "master mind" typified by Babe Ruth and Stengel—was in the background. It was McGraw's turn to apply the punch again with Stengel to decide a pulse-throbbing duel, but the Babe, hero of yesterday was largely eliminated from the picture, the not of his own choosing. Such of McGraw's strategy as came to the surface today was designed to eliminate Ruth from the danger zone and it was done by Nehf

with neatness and despatch. McGraw ordered the Babe passed intentionally twice and both times Bob Meusel fell down miserably in the emergency.

In the fourth, Meusel drove into a double play, eliminating Ruth and himself, while advancing Dugan to third, but Pipp was an easy victim for Frisch and Kelly for the third out.

Again in the eighth, with two blows up a tense hurling duel between Art Nehf, southpaw star of the Giants, and "Sad Sam" Jones of the Yankees, and gave the world's champions their solitary, but sufficient margin in a brilliant 1 to 0 triumph.

## SCHANG'S THROW NAILS FRISCH

Frankie Frisch's dreams of scoring Jawn McGraw's first fine throw to Ward turned the trick. Here we see Ward run in this year's little party with the Yankees came to touching Frisch with the ball, and Umpire Nallin calling naught in inning No. 1. Reaching first on a fielder's hit out. Wallie Pipp, who discarded his crutches in time choice, he made a valiant attempt to steal second. But to enter the series, is shown watching the play from first he was caught as he slid for the bag. Wallie Schang's base, with Umpire O'Day and a Giant coach behind him.

## HIGH SCHOOL SQUAD HAVE DOUBLE BILL

First Team to Battle White Hall Today While Second String Play at Winchester.

Coach Mitchell will leave with his first High School squad by auto this morning for White Hall where they meet the high team of that place in the afternoon in a game that should try the prowess of the J. H. S., as White Hall won last Saturday from Griggsville by the lopsided score of 13 to 0.

The following players will be started in the game today according to Coach Mitchell: ends, Massey and Sanders; tackles, Hopper and Dewese; guards, Curtis and Randall; center, Smith; Quarter, Hunt (Capt.); fullbacks, Corbridge and Arnold; Fullback, Johnson.

Coach Mitchell will also send two full teams to Winchester by auto this morning for a game in the afternoon against the Winchester High, using his second string men of which he has a good supply. He has about forty five men who appear nightly for scrimmage on their field at the School for the Deaf.

It is believed by those who have watched the squad at practice that old J. H. S., has a very good chance of annexing both contests today, for although the White Hall team is admittedly strong, considering the game exhibited by the local High at Pittsfield last Saturday, they should be able to take care of themselves in any company as the team this year is not composed of one or two stars but the game last Saturday showed that all of the players are fast rounding into that class.

## ILLINOIS TACKLES ST. LOUIS U. TODAY

Coach Harmon will leave this morning for St. Louis where his Blue and White warriors meet St. Louis University for a grid contest this afternoon, returning to Jacksonville this evening.

The boys on the hill gave an unusually good account of themselves against the Carthage team at Carthage last Saturday and are showing a better class of game than had been expected on account of the fact that so many of the leading players of last year are not with the team this year.

The probable lineup for the start of the game today will be: Dale, L.; Reiss, R.; Weber, L.; Hackett, C.; Schaffer, R.; Gard, R.; Witaschek, R.; Petefish, C.; Bowman or Rogers, L.; Elder or Beecher, R.; J. Roberts, F. b.

## Faber Hurls White Sox to Fine Victory

(By The Associated Press)  
CHICAGO, Oct. 12.—Urban Faber, upthall star pitcher and hero of the 1917 World's Series, hurled the American League nine to its first victory over the National Leaguers in the Chicago City Series today. Faber downed the Cubs 4 to 2. He was afforded fine fielding supports by his mates and displayed the old cunning skill which marked him as the leading pitcher of the league in former years.

Vic Keen, the Maryland Collegian was the Cubs' starting pitcher, but was forced to leave the slab when he started a spell of wildness in the fifth session. Fred Fussell hurried until the seventh when he was removed for a pinch hitter and Ernie Osborne finished up. Faber held the Cubs to six hits one of them a homer by Friberg. The Sox gained eight safe blows off the three Cub pitchers.

Rapid fire hitting put the American Leaguers out in front in the first inning. On four pitched balls, Strunk and Hopper singled and Collins lifted a sacrifice fly to Statz to send Strunk from third. But the advantage gained by the Sox was short lived for in the third, the National League entry grabbed a run to tie up the count. O'Farrell carrying the marker over on Statz' double after singling and making second on Keen's sacrifice. Bernie Friberg's home run into the left field stand gave the Cubs a temporary advantage in the fourth chapter. Keen's wildness broke out in the Sox fifth and with two runs over the plate Keene was removed in favor of Fred Fussell the lefthander.

Crouse, first up doubled and Faber sacrificed, then Strunk singled to score Crouse and when Hopper singled and Collins and Sheely walked forcing Strunk over the rubber.

Keen was yanked. Fussell fanned Mostil and Kamm popped out to end the inning leaving three Sox on the bags.

In the seventh the Sox broke

out with another run. Barrett batted for Strunk and singled. He took second on a wild pitch and was sacrificed to third Hooper, whence he scored on Collins' infield out.

The fourth game of the series will be played tomorrow at the American Park.

Attendance 26,128; receipts \$24,695.11. Commission's share \$3,704.27. Players' pool \$12,594.50. Each club share \$3,396.34.

## CHAMPAIGN COACH EXPECTS HARD BATTLE

The following clipping was taken from the Daily Illini the student paper at the University of Illinois and shows that Coach Moyer of the Champaign high school expects a hard battle with the I. S. D. warriors here today.

Coach Lester Moyer sent his Champaign high squad through a stiff scrimmage last night in preparation for the initial journey of the season to Jacksonville Saturday.

This years game will be the second the Maroon outfit has played with the Deaf and Dumb

high school. Last year on the home field the west side lads smeared the silent lads by a score of 30 to 0.

## MARKET FOR FRESH BUTTER IS FIRMER

CHICAGO, Oct. 12.—There was  
no relief from the shortage of  
fresh butter and the butter mar-  
ket here appeared to be growing  
gradually firmer today. Owing  
to the partial holiday trading was  
limited, but the few buyers who  
were on the market were willing  
to pay yesterday's prices. Limited  
supplies, however, caused deal-  
ers to hold very firmly in most  
cases for premiums. The supply  
of cars was exceptionally light.  
Owners generally held them for  
stiff premiums but while buyers  
were willing to pay the below  
listed prices,

## TOLD INTERESTING FACTS ABOUT COFFEE

C. J. Bahrer Made Address at Rotary Club Luncheon—Appeal Made to Aid Salvation Army Campaign.

Charles J. Bahrer told an interesting story of coffee production in an address made to the Rotary club at the luncheon Friday. Still briefer talks were made by Dr. Burdock McLeod of Chicago and Rev. W. E. Spoons of Jacksonville.

R. W. Woolston, vice president presided in the absence of President A. H. Dollear, who is still ill. Secretary Dial read a letter from the Illinois Chamber of Commerce, calling attention to the convention to be held the coming week and urging a large attendance. M. C. Hook, member of the Morgan County Salvation Army executive board gave emphasis to the work done by the Salvation Army both locally and in a country wide way. The figures showed that the work here is economically and efficiently conducted and Mr. Hook expressed the hope that Rotarians and others will liberally aid the army in securing during the coming week a budget amounting to \$3500 to carry on the work for a year.

Mr. Bahrer in his address traced the history of coffee production and showed that it is the most universal non-alcoholic drink in the world. Some comparative figures were given and the whole address was replete with interesting information upon the subject Mr. Bahrer was presenting.

Dr. McLeod, who was called on informally, is familiar with the origin of the Rotary club movement and said it represented both the desire for fellowship and to render service.

Mr. Spoons spoke of his increasing admiration for Jacksonville the longer he lived in the city, and said that it had often been his lot to work with Rotarians for good movements in Jacksonville and that he hoped the spirit of service will continue as a part of Jacksonville life.

## BAPTISTS GOING TO STATE MEETING

Rev. Howells Will Deliver Sermon at Chicago Next Week—Big Program Planned.

Rev. A. P. Howells, Mrs. Elizabeth Stebbins, Miss Carrie Spires and Miss Edith Dawdy will go to Chicago next week to attend the annual meeting of the Illinois State Convention of Oak Park Baptist church. Miss Spires and Miss Dawdy will leave Sunday to attend a World Wide Guild meeting in Chicago. Mrs. Stebbins will attend the sessions of the Baptist Woman's Board, of which she is a member and Rev. Howells will represent the Morgan-Scott county association on the denominational board of the state. He will also deliver a sermon as a part of the regular convention program, using as his subject, "The New Day."

Fully a thousand delegates and visitors are expected to attend the convention. It will open Monday evening with a joint meeting of the Pastoral Union of the state and the Woman's Missionary Society, which will be addressed by Mrs. Helen Barrett Montgomery, Southern Baptist, will be represented on the program by Dr. E. Y. Mullins of Louisville, Ky., president of the Louisville Baptist Theological seminary. Rev. W. B. Morris of Champaign, who is well known here and was formerly pastor at Winchester, will give a report on "Baptist Philanthropies in Illinois."

**DR. MCLEAD ADDRESSED ILLINOIS COLLEGE STUDENTS**

The Rev. Dr. Burdock McLeod of Lake Forest College, addressed the students of Illinois college in chapel yesterday morning in an unusually and impressive speech.

Dr. McLeod introduced his address by quoting the passage in the Bible, which tells of David's faith in the Lord's help just before he went forth to meet the Philistine giant, Goliath, delivered from the paw of the lion and Dr. McLeod stated that it was because of earlier ability to perform feats of strength and skill in little things that he was able to meet this great happening with courage and confidence.

Dr. McLeod said that the boy or girl who was successful in the little things of life would undoubtedly prove a success when he or she was confronted with life's real problems. He said that the way one spends a dollar is a fair demonstration of the way in which he would spend a million dollars if he were in possession of that amount.

So in this manner the little things of life should be given much more consideration than the average person gives them.

## MANY TONS OF CANDY REQUIRED FOR CITY

National Candy Day Brings Out Interesting Figures of Local Trade—Is Fifth Industry.

Today is National Candy Day, a fact which confectioners and candy stores throughout the country are using to boost sales of sweets. The people of Jacksonville and surrounding country are not one whit behind the rest of the nation in their hunger for candy. Figures compiled from estimates given by leading candy merchants of the city show the total of 44,500 pounds sold in a year, or more than 22 tons. This does not include sales made by pool rooms, cigar stores, grocery stores, all but one drug store in the city.

Estimates of monthly sales given out by merchants range from 300 pounds to 2,000 pounds. During the summer the candy business is slack, but this is the time of year when sales are on the increase, reaching the peak at the Christmas season.

Think of disposing of three barrels of salted peanuts per month. These figures were given by one merchant, who also stated that he sold each month \$300 worth of chewing gum and at least a hundred boxes of chocolate bars, which means about 4,000 separate bars.

The manufacture of candy is now said to be the fifth industry in the country. It is under government supervision, and every candy factory is inspected by government officers. Everything must be up to the standards and conform to the provisions of the pure food law. The consumption of candy has increased enormously since the World War. Its wide use at that time created the candy-eating habit, and people have come gradually to demand more and better candy.

It is stated by some that prohibition has much to do with the increase of candy sales. It is claimed that the craving for alcohol is in a measure satisfied by sweets. Whether this argument has any grounds of fact or not, it is plain that the American people are eating candy at a rate never before equaled. The government has recognized candy as a food, which is more than it ever did for intoxicating liquor. The candy manufacturers are doing much to create the demand for their product by extensive advertising. One merchant stated that the sales depend in large measure on how much the article in question is pushed.

The fact that there is now a National Candy day and that merchants push the sale of candy as one of the profitable lines of business, is proof that the taste of sweets has come to stay, a state of things to which most people will raise no objection.

**SALVATION ARMY DRIVE TO BE MADE NEXT WEEK**

Next Monday the Salvation Army drive for funds will begin and will be continued for one week. The goal is \$3,500 which is the Army's budget for one year, and it is the expectation that this sum can be secured during the six day campaign.

A five minute talk is to be made in each of the local churches tomorrow for the purpose of explaining the object of the campaign and to urge co-operation on the part of all the church people of the city.

All of the money which it is hoped to secure will be expended in the county except a small portion which will go toward maintaining homes and hospitals which the Army owns.

The soliciting committee in the business district has the following members:

C. O. Gordon, Ben Owen, Elmer Henderson, Henry Smith, Robert Birnbaum, Byron Armstrong, Thomas Coyle, M. E. Gilbert, C. E. Segner, Frank Wana-maker, Frank Baker, James R. Gramah, Henry Frisch, Eugene Caldwell, G. B. Andre, J. C. Luke-man, R. E. Mullens, Len Magill, J. A. Long, W. A. Fay, Fred Hop-per, Clarence Swaby.

**SCHOLARSHIPS AWARDED TO MORGAN COUNTY PAIR**

Two Morgan county young people, Harold M. Cockin of Alexander and Miss Dorothy Kennedy of Waverly, were awarded scholarships in the University of Illinois. The list of scholarships recently announced by H. E. Young, secretary of the Illinois Farmers Institute includes the names of 32 young men and 31 young women. The awards were made upon recommendation of the county president of the institute and the household science department. Miss Kennedy received a scholarship in the Household Science department of the University, while Mr. Cockin was awarded a scholarship in the college of agriculture.

## PREPARE PROGRAM FOR YOUNG PEOPLE

The program committee of the young people's section of the Morgan county Sunday school convention met last night and planned the program for its share of the convention. The young people will begin their part of the program at 5:30 o'clock Saturday evening, Oct. 27, with a supper served by the ladies of the church. The program following will consist of music, talks by the young people and social stunts. At the evening session Saturday, the young people will have a speaker, Rev. B. H. Sealeck, pastor of the Virden Christian church, who will deliver an address of inspiration and help for the youth.

It is intended to make Sunday, Oct. 28, a big day for the convention. A large attendance is expected, especially at the afternoon program, which is yet to be arranged.

Among members of the young people's committee present at the meeting last night were Alfred Cramwell, Miss Virginia Cummings, Clarence Wilson and Miss Gareda Phelps.

## CHRISTIAN MEN WILL ORGANIZE CLUB HERE

Meeting at Northminster Church Sunday Afternoon to Form Body Similar to Noonday Luncheon Clubs.

The Christian men of Jacksonville are invited to be present at 2:30 o'clock Sunday afternoon at Northminster church, at which time a Christian Men's Club will be organized. A committee consisting of C. S. Smith, B. F. Shafer and Rev. W. E. Spoons has been appointed to formulate plans and rules for the club. This committee will meet at 4 o'clock this afternoon and will be ready with a report to the men at the meeting Sunday.

Such a club would be organized on lines of the Rotary and Kiwanis clubs and would meet at a weekly noon luncheon in the same manner. It would exist for the purpose of furthering Christian enterprises and for education along religious and moral lines. Springfield has a club of this character, which holds a luncheon meeting each Friday at the Y. M. C. A. It now has about one hundred members. Ministers are not members of the club, but it is made up entirely of laymen. It is hoped that a large number of Christian men in Jacksonville will be interested in this movement and will attend the meeting Sunday to aid in organizing the club.

## CHAPIN HIGH SCHOOL NOTES

The high school announces the completion of plans for this year's yearbook course. The course will consist of fewer attractions this year but each number will be an especially strong one.

The course is being made up by independent purchase of suitable attractions. At least three entertainments will be guaranteed on the course. If the ticket sale warrants a fourth attraction will be procured.

The school does not put on the course with the view of making a profit; the aim is simply to provide the community these entertainments at cost.

The ticket sale will start in about 10 days. The first two attractions with dates follow:

Tuesday, Nov. 6—The Belmont Players.

Monday, Dec. 6—People We Meet—Kemple.

Jan. (Date open)—Attraction announced later.

The high school announces other public entertainments to be given during the first half of the school year:

Saturday, Nov. 17—Home talent play, farce comedy.

Friday, Nov. 23—Annual community corn show.

Monday, Dec. 31—Minstrel show.

Friday, Feb. 22—Patriotic play and entertainment.

## DRESSED CHICKENS AT FURRY'S

LADIES AID SOCIETY OF BEREA CHURCH MET

Mrs. Jeff Stockton was hostess to the Berea Aid society at her home Thursday, Oct. 11.

Fifty members and friends were guests for the day of pleasure and feasting, as an excellent dinner was served to all.

The business and devotional meeting was led by the president Mrs. C. W. Swain. A letter from a former pastor, Rev. C. G. Cantrell, now of Ashland, Kansas, was read.

The society decided to order "Ready-Jell" to sell to members and friends, the profits to go to the aid treasury.

It was also decided to hold a market in Jacksonville Nov. 24, the Saturday before Thanksgiving.

The next meeting is to be held with Mrs. Stewart and daughters.

"Jacob and Esau", fine dramatic film, Westminster, Sunday night, with sermon.

## FUNERAL NOTICE

Funeral services for Mrs. L. A. Fitzsimmons will be conducted this morning at 10 o'clock from the Woodson Christian church, in charge of Rev. M. L. Pantilus. Interment will be in Henry cemetery.

The Point Aid will hold a market at Furry's Grocery Saturday, Oct. 13.

## MAY BE CANDIDATE FOR STATE TREASURER

Chicago Tribune Writer Shies Mayor Crabtree's Hat Into The Political Ring—Mayor However Not Yet An Avowed Candidate.

According to Frank Butzow, political writer for the Chicago Tribune, Mayor E. E. Crabtree of the city is a candidate for the Republican nomination for state treasurer. However, Mayor Crabtree said yesterday that this story of Mr. Butzow's which appeared in the Tribune yesterday doesn't exactly represent the situation. The fact is that Mayor Crabtree may become a candidate but has not yet decided this rather big problem.

The Tribune said: "News from Jacksonville yesterday announced the candidacy of Mayor E. E. Crabtree of that city for the Republican nomination for state treasurer. Mr. Crabtree attracted statewide attention several years ago when he ran for mayor on a pledge to pull the town out of debt. He said he would accept no salary, and several candidates for alderman made the same pledge. Mayor Crabtree has been prominent in affairs of the Illinois Municipal League, composed of city officials from all parts of the state."

Referring to the Tribune paragraph, Mr. Crabtree said yesterday: "I am surprised to read the Tribune article, for I have by no means announced my candidacy. It is true that a number of men both in Chicago and downstate who have some relationship to public affairs have suggested that I be a candidate. I am a banker and the state treasurer's office has direct relationship to banking. But while I have not announced my candidacy, I certainly am not going to say that I would not be glad to hold the office. It is an office of importance and one with large responsibilities. However, as indicated, I realize that to become an active candidate for state office means a contest not to be entered into without careful consideration, and all I can say at this time is that I have reached no decision about the matter and will not be likely to do so in the immediate future."

During Mr. Crabtree's term of office as mayor he has been frequently mentioned in the press. The fact that statesmanlike man he was willing to take the office on a no pay platform, and further that he has continually sought to build up the city thru the development of the co-operative spirit, both these things seem to have caught public attention in an unusual way. As a result there has been a good deal of favorable publicity for both Mayor Crabtree and the city in the press of the state and in fact thruout many states.

Other lines of public work had previously given Mr. Crabtree an unusually wide acquaintance and his cordial personality has also been a strong factor in building up friendships. With these things taken into account it is certain that if the decision is made to become a candidate that he will add greatly to the interest in the primary race.

## ILLINOIS COLLEGE ALUMNI QUARTERLY

The October number of the Illinois College Alumni Quarterly is just out and is a publication of much interest to all friends of the college in general and to all alumni and former students in particular.

S. W. Nichols, '68, contributes an article, "When I Was On The Hill." A well written poem by Wayne Gard, "A Burmese File," is good; a fine cut of the hand with a short article is attractive; an obituary of E. P. Irving, '84, pays a well deserved tribute to a good man; an account of the unveiling of a monument to the late Prof. J. B. Turner, shows that what good men do is not forgotten. Other short articles, an account of the Berkeley fire by Dr. Barker and notes regarding alumni scattered up and down the broad earth, make up a very creditable number.

The periodical should be taken by all former students and friends of the college. C. J. Rowe is business manager.

## REAL ESTATE MEN MET LAST NIGHT

The local Real Estate board held a meeting last night at the office of Smith and Naylor. There was a good attendance, and plans for future work were discussed. Considerable time was devoted to the local housing situation.

George Dewees resigned as vice president and was elected secretary-treasurer, in place of Homer Ranson, who has left the city. W. E. Smith was elected vice-president for the remainder of the term.

## RETURN FROM MASONIC MEET IN CHICAGO

Representatives from Jacksonville and vicinity who were in attendance at the sessions of the grand Masonic lodge in Chicago have returned. The grand master has appointed Julius G. Strawn as his deputy in this the 66th district. The post was filled the past year by John S. Hackett.

Among Masons who attended the grand lodge sessions were Roy Heaton, Lynnville; H. P. Joy, Concord; Dr. R. R. Jones, Woodson; Harry Cowhick, Winchester; Dick Reynolds and J. S. Hackett Jacksonville.

## WELL KNOWN RESIDENT OF MEREDOSIA DIES

James R. Bowling Answers Final Summons After Brief Illness.

Meredosia, Oct. 12.—James R. Bowling, a well known resident of this community, passed away at 9:30 o'clock Thursday evening at his home here. Mr. Bowling suffered a paralytic stroke while at his place of business about 5:30 o'clock Thursday evening. He was removed to his home but became unconscious before reaching there, and never regained consciousness.

The deceased was born in Auburn, Aug. 10, 1858. His marriage to Miss Alma Wakefield occurred at Pawnee on Nov. 10, 1881. The widow survives, together with one daughter and one son, Mrs. Inez Lear of Meredosia and Paul Bowling, a lieutenant in the navy service in the Orient.

Mr. Bowling was a member of the Masonic and Woodman lodges and had for years been one of the prominent residents of Meredosia. He had for years engaged in business here, at the time of his death being engaged in the soft drink business. He was highly respected by all who knew him.

The funeral will be held at 2:30 o'clock Sunday afternoon from the family home, and will be in charge of the Masonic organization. Burial will be in Meredosia cemetery.

## DEMONSTRATIONS IN CAPONIZING CLOSED

The Morgan County Farm Bureau completed its caponizing demonstrations under the direction of Lewis Daily of McLeansboro, six caponizing demonstrations and three culling demonstrations having been given by Mr. Daily in the past few days. At each caponizing demonstration ten cockerels were caponized and those present were given an opportunity of learning how to do the work. Not a single bird in the six demonstrations was killed by the operation.

In the culling demonstrations Mr. Daily emphasized the pigmentation theory, which takes into account principally the coloring in the skin, beak, etc. After having completed some very satisfactory work in both branches, Mr. Daily left for McLeansboro Friday night.
